Emergency Management

Angela Ebert, CFI

Loss Prevention Manager I
Greater Houston

Summary

I am an experienced Corporate Security Manager with expertise in leading diverse teams to conduct security risk management assessments in order to recommend risk-based security measures, support emergency planning, and develop comprehensive enterprise security plans. I am recognized as a subject matter expert in security planning, risk mitigation, and complex investigations, including thefts, fraud, conflicts of interest, and other company policy violations. I pride myself on being a dynamic leader who effectively collaborates with executive protection teams, law enforcement, and regulatory agencies while mentoring cross-functional team members to ensure the safety of personnel and business assets.
